UTILISATION DU SITE ET DES APPLICATIONS MOBILES

La navigation sur le Site ou les Applications Mobiles est soumise à la réglementation en vigueur. Toute utilisation du Site ou des Applications Mobiles vaut acceptation inconditionnelle de la part de tout internaute du contenu de la page [Avertissement sur les risques](#).

COPYRIGHT

Le contenu, et notamment les textes, illustrations, photographies et images, du Site et des Applications Mobiles sont la propriété de la Société.

The modification, copy, reproduction, diffusion or representation, commercial exploitation and/or distribution, in whole or in part, of pages, data, logos and any other element such as software components and codes, by any process or medium whatsoever, is prohibited and constitutes, without authorization of the Company, an infringement.

The creation of links to the site www.coinhouse.com or the mobile applications is subject to the prior agreement of the Company. Links to other sites from www.coinhouse.com cannot, under any circumstances, engage the responsibility of the Company.

CONTENT

The Company strives to ensure the accuracy and updates of the information on the Website and Mobile Applications, for which the Company reserves the right to change the content at any time without notice. However, the Company cannot guarantee the completeness or the absence of modification by a third party (intrusion, virus).

The information contained on the Website and Mobile Applications is strictly informative, it carries no legal commitment or contractual agreement from the Company, which also reserves the right to modify its characteristics.

Access to the products and services presented on the Website or Mobile Applications may be subject to restrictions in respect of certain persons or in certain countries.

None of the products and / or services will be provided by the Company to a person if the law of his country of origin or any other country which would concern him prohibits it. However, it is up to anyone interested to check with their usual advice beforehand that their legal and tax status allows them to subscribe to the products and / or services presented on the Website or the Coinhouse mobile application.

Subject to compliance with its legal or regulatory obligations, the Company cannot be held responsible for any financial consequences resulting from such

transactions. Any request for online subscription to a product or service offered by the Company implies the submission of the transaction to the contractual conditions and tariffs in force, as well as to French law.

ACCESSIBILITY

The user acknowledges being informed that the Website and Mobile Applications are accessible 24 hours a day, 7 days a week. However, the Company does not guarantee uninterrupted access. The Company may interrupt access at any time, in particular for maintenance reasons.

More generally, the Company reserves the right to close access to all or part of the Website or Mobile Applications in the event of force majeure as defined by french case law, mainly: technical failures, breakdowns, technical problems concerning hardware, programs, software, Internet network which may, if applicable, lead to the suspension or termination of the service. In such a case, the Company shall endeavor to notify users and make it operational again as soon as possible.

The Company shall make its best efforts to secure access, consultation, and use of the Website and Mobile Applications in accordance with Internet usage rules.

However, the user is solely responsible for securing their identifiers, account, two-factor authentication system, and more generally their computer resources, messaging system, and telephone.

Consequently, the Company cannot be held liable in the following cases:

- Momentary interruptions of the Website or Mobile Applications related to updates or maintenance operations;
- Operating difficulties or momentary interruption of the Website or Mobile Applications beyond the Company's control, particularly in the event of interruption of electricity or electronic communications services;
- Failure or malfunction of the Internet network in the transmission of messages or documents.

The user accepts the characteristics and limitations of the Internet, and in particular by acknowledging:

- That the user is aware of the nature of the Internet, particularly its technical performance and response times for consulting, querying, or transferring content.
- That the communication of login codes or, in general, any information deemed confidential is done under the user's own responsibility.

- That it is the user's responsibility to take all necessary measures to ensure that the technical characteristics of their computer allow them to consult the content.
- That it is the user's responsibility to take all appropriate measures to protect their own data and/or software from contamination by potential viruses.

SECURITY

The Company does not guarantee that the Website and Mobile Applications are error-free or that all imperfections will be corrected. The user agrees not to use any devices or software of any kind with the aim of disrupting or attempting to disrupt the proper functioning of the Website and Mobile Applications, and not to engage in any action that would impose a disproportionate burden on the Company's infrastructure.

The Company cannot be held responsible for indirect damages such as, but not limited to, losses resulting from transactions made based on information appearing on the Website or Mobile Applications, loss of profit, loss of business, and losses resulting from a service interruption due to an internet connection problem.

The Company cannot be held responsible for items beyond its control and for any damage that the user may suffer, in particular, damage to computers, smartphones, tablets, software, network equipment and any other equipment used to access the Website or the Mobile Applications and / or to use the services offered.

A secure area on the Website and Mobile Applications is reserved for anyone connecting and guarantees the confidentiality and completeness of the information provided. It is up to each Internet user to take all appropriate measures to protect their computer from contamination with possible viruses and other malware on the Internet.

It is up to anyone interested in the products and / or services presented on the site to check beforehand, that its legal and fiscal allows him to subscribe to those products and / or services.
